**KENTUCKY PUBLIC SERVICE COMMISSION**

**TO:** Main Case File – Case No. 2007-00180

**FROM:** Tiffany Bowman  
Staff Attorney

**DATE:** August 3, 2007

**SUBJECT:** Informal Conference

---

An informal conference (IC) was held in this matter on August 1, 2007. A copy of the conference attendance list is attached. This matter concerns a petition, as filed by Sprint Communications Company L.P. and Sprint Spectrum L.P. d/b/a Sprint PCS (Sprint) seeking arbitration with BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky d/b/a AT&T Southeast ( BellSouth or AT&T).

Oral Arguments are scheduled to be heard by the Commission in this matter on August 23, 2007. Pre-argument briefs are due on August 10, 2007. The purpose of the IC was to discuss issues related to Sprint's petition for arbitration concerning the commencement date of a new Sprint-BellSouth interconnection agreement. During the IC, Commission Staff and the parties also discussed BellSouth's motion to dismiss the petition and BellSouth's submission of an additional issue, wherein the company requested that the Commission adopt proposed generic language for one section of the Sprint-BellSouth interconnection agreement.

Additionally, the parties discussed recent developments in identical arbitration cases currently before eight other state commissions. Commission Staff and the parties discussed with particularity the North Carolina and Florida commission cases.

Prior to adjournment, Commission Staff inquired as to whether the parties believed the record, as it now stands, contains a sufficient level of evidence to enable the Commission to issue an effective order on the merits and issues within the case. The parties each agreed that the record was sufficient, but would consider supplementing the record if the Commission determined it to be necessary.

The IC was then adjourned.

Attachment.
